Interview Summary Attachment

Examiner made courtesy call to applicant's representative informing him that (1) the faxed unofficial copy of the 3-1-04 after final amendment along with the facsimile confirmation has been received on 5-13-04 and (2) the IFW file, which is not complete since the case in scanning, lists an after final amendment filed 5-13-04. The entry in the IFW file of an after final amendment filed 5-13-04 indicates that the faxed official copy of the 3-1-04 after final amendment has been received. Examiner further informed applicant's representative that (1) the faxed unofficial copy of the 3-1-04 after final amendment along with the facsimile confirmation has been considered and places the case in condition for allowance and (2) a notice of allowability, which has already been prepared, will be mailed once the official copy of the 3-1-04 after final amendment and its facsimile receipt is properly of record in the IFW file and is confirmed to the same as the above noted unofficial copy of the 3-1-04 after final amendment along with the facsimile confirmation.
